

DR. GAURAV YADAV

MBBS (Kazan State Medical University, Russia) | FMGE Qualified (July 2026)

Prayagraj, Uttar Pradesh, India • +91 83038 12308 • gyadav12998@gmail.com

PROFILE

MBBS graduate from Kazan State Medical University, Russia (2019-2025), with FMGE (Foreign Medical Graduate Examination) cleared in July 2026 and now eligible to practice medicine in India. Clinical training included hands-on rotations across 15 hospital departments with exposure to 500+ patients, alongside a multi-cultural academic experience across India and Russia. A compassionate, patient-first approach combined with a strong theoretical and clinical foundation, ready to begin practice with a future-ready outlook that blends technology with traditional medical care.

KEY HIGHLIGHTS

- 500+ patients assisted during clinical rotations across 15 hospital departments.
- FMGE (Foreign Medical Graduate Examination) qualified - July 2026, National Board of Examinations, India.
- Trilingual: fluent in Hindi, English and Russian, enabling multi-cultural patient communication.
- Fresh MBBS graduate (2025) with FMGE cleared in July 2026 - ready to begin clinical practice in India.

EDUCATION
